(Regarding the raising of the Slaughtering fee for pigs from 2 to annas)

Sir,

I have the honour to submit herewith copies of the Sanitary Board's resolutions No.2 and 2 arrived at, at their meeting held on the 24th September and 22nd October 1915 respectively and to state as follows:--

(i) At present there is no separate Pig Slaughter House in the Kolar Gold Fields Sanitary Board or Mining Area with the result that pigs are reported to be slaughtered in private houses clandestinely without obtaining licenses and paying the slaughter fees therefor. To prevent this and the consequent loss of income to the Board, the Board have resolved to construct a separate Slaughter House for pigs at an estimated cost of Rs.1000.

(ii) The price of a pig varies from Rs. 10 to Rs.20 and the pork is sold at four annas a pound. The license fee of 0-2-0 a pig now levied, is very small compared with the profit the dealers of this commodity make. It was proposed to raise the Slaughtering fee to four annas in the case of pigs and the Board approved of the same.

I have the honour to request that the Board's proposals be approved and early sanction of Government obtained for the raising of the slaughtering fee to Annas four a pig from the time the Slaughter House for pigs is constructed and is made available for the purpose.

A separate reference will be submitted, for the sanction of Government, with a detailed estimate for the construction of a Pig Slaughter House.

I have the honour to be,

Sir,
